### *Les Hortensias Du Lac, Hossegor*

Completely remodeled from a masonry built in the 1930's, Les Hortensias Du Lac is now a four-star luxury complex that captures the heart of guests from the moment they arrive. With design influenced by the old French style of Basque Country, the hotel offers both the charm of the past and the comfort of modern amenities. Because of its ideal location between the ocean and Hossegor Lake, guests find panoramic views and private access to the lake, as well as proximity to world famous fine sand beaches and Hossegor's downtown.

The room, suites, and apartments at Les Hortensias Du Lac are simply and elegantly decorated with a focus on relaxation. Rooms include Double, Duplex, both including a private terrace or balcony and angled toward sunset or lake views, and a Master Bedroom located on the first floor of the mansion with a large bathroom facing famous lake sunsets. The Duplex 39 and Lake House Suites are also on the first floor, the Duplex 39 featuring a living room leading to a balcony and The Lake Suite containing two bedrooms and great lake views. Located on the upper floor of the independent villa, the Penthouse Apartment hosts a night corridor, two double bedrooms with views of the lake and a living room with sofa bed. The Bel Etage Apartment takes up the entire top floor of the mansion with a large entrance and living room, two double rooms and both lake and sunset views. The Terrace Apartment, on two levels of the house, offers two separate rooms, two bathrooms, a large private

terrace, garden and balcony, a well-equipped kitchen and a large living room. Finally, the Lake House consists of three floors, including two independent suites, 2 separate rooms and bathrooms, living room, a large private terrace, garden and balcony, fitted kitchen, and panoramic lake views.

The owners of the hotel, Fabienne and Patrick Bayselier, are happy to provide anything you need during your stay, including starting the day with a delicious buffet breakfast with champagne. After a day at the beach, lake or town, you can grab a snack or drink at the hotel's lounge bar or go for a swim in the heated outdoor infinity pool facing the lake. Guests are also treated to tea and coffee in the afternoon, room service, and a complimentary mini bar in all rooms.

With babysitting available, anyone can take full advantage of any of the activities in the area. With close access to both lake and ocean, a variety of watersports, including private surf lessons, are offered through the hotel. Known for being a luxury surf and golf hotel, Les Hortensias Du Lac is sought out by many surfers and golfers. Hossegor, often serving as a place for surf championships, is recognized as an exceptional surf site and enjoys many well-known golf courses.
